GET INVOLVED!

Being the Title Sponsor for Box of Hope is a fantastic opportunity for the right corporation to touch the lives of many; the school children and their families, the recipients and the many volunteers.

Approx 80% of our budget is spent on logistics. We need financial sponsorts to cover the transportation costs to ensure we can continue to grow each year. Please contact Sian Taylor at siantaylor1@boxofhop.org

Box of Hope is a Registered Charity run completely by volunteers. Our aim is to give the idea of charity to HK School Children through the giving of presents to those living in poverty across Asia.
